

Lift Purchase Buyers Agreement

Warranty

Each Lift SuperStore lift has the following warranty from date of purchase:

Structural Components - 5 years

Hydraulic Cylinder – Limited Lifetime

Hydraulic Hoses & Pumps - 1 year

Labor – owner responsibility

The component and hydraulic parts warranty is limited to defects in workmanship and material. The warranty does not cover misuse, abuse, overloading, lack of maintenance, inappropriate use or “normal wear and tear”. Warranty parts must be returned to the Lift Super Store for inspection to qualify for warranty. Shipping costs are the owner’s responsibility.

Freight Damage

Each lift is carefully inspected by our shipping department before loading. Damage incurred during shipping must be noted on the transport companies “bill of lading” and signed by the driver. It is the owner’s responsibility to advise Lift SuperStore **within 48 business hours** of any shipping damage.

Installation

At the purchaser's request, the Lift Super Store will arrange for delivery and installation by our professional staff. It is the owner’s responsibility to approve completion of all work done and confirm the product is working properly. The owner must advise our office **within 24 business hours** of incomplete work or product deficiency.

Lift Maintenance

Every lifting product will require ongoing adjustment and maintenance. It is normal for lift cables to require adjustment that ensures level lift operation. Periodic adjustments are the owner’s responsibility. If the owner requires the assistance of a lift technician, a service charge will apply for a service call. The lift is manufactured with a baked on powder coat finish. To maintain this finish it is recommended that scratches are periodically touched up with automotive style paint. All non painted services should be kept clean and lubricated to prevent rust or corrosion.

Service Calls

The Lift SuperStore can provide on-site servicing of your lifting product by a qualified lift service technician. The owner is responsible for all costs and direct payment to our employee at the time the work is completed. It is the owner’s responsibility to return any parts to the Lift SuperStore for warranty consideration as noted above.
